Organized by: National Service Scheme (NSS) Department

**Introduction:**

The National Service Scheme (NSS) Department of Kai. Rasika Mahavidyalaya, Deoni, organized a campus cleaning and tree plantation event with the aim of fostering environmental consciousness and promoting cleanliness among students and faculty members.

**Objective:**

The primary objective of the event was to create awareness about the importance of maintaining cleanliness on campus and the significance of tree plantation in preserving the environment.

**Activities:**

The event commenced with a briefing session where the importance of cleanliness and tree plantation was explained to the participants. Following the briefing, students and faculty members divided into groups to carry out the following activities:

**Campus Cleaning:** Participants enthusiastically engaged in cleaning various areas of the campus, including classrooms, corridors, playgrounds, and surrounding areas. They collected litter, swept the premises, and disposed of waste responsibly.

**Tree Plantation:** After the cleaning session, participants gathered at designated spots on the campus to plant saplings. Under the guidance of NSS volunteers, they dug holes and planted a variety of saplings, contributing to the greening of the campus.

**Impact:**

The event had a significant impact on both participants and the campus environment. It instilled a sense of responsibility towards maintaining cleanliness and preserving nature among the students and faculty members. The sight of a cleaner campus and newly planted saplings served as a reminder of the importance of collective efforts in safeguarding the environment.

**Conclusion:**

The campus cleaning and tree plantation event organized by the NSS Department at Kai. Rasika Mahavidyalaya, Deoni, successfully promoted the values of cleanliness and environmental conservation among the participants. Such initiatives not only contribute to the beautification of the campus but also inspire individuals to adopt eco-friendly practices in their daily lives.

**Future Endeavors:**

The success of this event encourages us to continue organizing similar initiatives in the future, thereby nurturing a culture of cleanliness and environmental stewardship within the campus community.
